

Dentistry - community and specialist dental services

City of Westminster

THE ROYAL BOROUGH OF
KENSINGTON
AND CHELSEA

hammersmith & fulham

Central London
Community Healthcare
NHS TRUST

Dental teams provide treatment specialist service for people with learning or physical disabilities or other special needs.

Patients need to live or be registered with a GP in Hammersmith and Fulham, Kensington and Chelsea or Westminster.

Your dentist, GP or other health professional needs to contact the dental office before you can get treatment.

For more information contact:

Hammersmith and Fulham Dental Administration Office

 020 8846 7811

Kensington and Chelsea Dental Department

 020 8962 4470

Westminster Dental Referral Management Centre

 020 7534 6524

Emergency dental appointments are available in the evenings, at weekends and public holidays.

You need to call before you can get an appointment.

020-3402 1312
